Virumico Hey! I'm interested in working for a startup company in Mexico City with a passion to help people! Also, if you're looking for some free work please feel free to drop me a line. There's no need to contact me but I prefer being approached face to face and not emailed. I've lived in Latin America for some years and most of the time it's a boring environment that makes me want to forget I live there. Thanks.. The results of the current study show a consistent picture of a gradual increase in the frequency with which in Brazil and Brazil itself, and to a lesser extent in other countries, and a general trend towards greater awareness and understanding of the social problem of childhood sexual abuse, with a specific emphasis on gender, sexuality and gender related issues (Table 1). For several important reasons, particularly social and economic, this trend is reflected in the overall growth in the knowledgebase regarding pedophilia (Table 2) and other sex crimes in our country (Table 3)..
